

HISTORY OF ART & VISUAL CULTURE

Learn art history while building your practice.

You'll gain both a theoretical and a hands-on understanding of art and art practices in Columbus College of Art & Design's art history program. Don't expect a dark room full of slides. We focus on the exciting practice of the contemporary art world, and our students are mentored by the leaders of their fields. This combination studio and research degree links the study of art history to the incredibly diverse worlds of art production and presentation. This is an excellent foundation for further study at the graduate level.

Columbus College
of Art & Design

60 Cleveland Ave. Columbus, OH 43215

Noguchi Museum

FACILITIES

You'll have access to:

- » Battelle Hall (sculpture and jewelry), Kinney Hall (ceramics, printmaking and the glass lab) and The Amelito Mirolo Fine Arts Building (drawing and painting)
- » Four galleries used exclusively for student exhibitions
- » A well-equipped slide-shooting/documentation studio
- » The Beeler Gallery, which — with its rotating series of exhibitions and visiting artists and scholars — functions as an important classroom space as well
- » Semi-private studios
