

FASHION DESIGN

Be the tred.

By the time you graduate from Columbus College of Art & Design's Fashion Design program, you'll contribute to some of the largest and most creative fashion brands in the world. As the third best city for fashion designers (behind New York and Los Angeles), Columbus offers a fashion-forward backdrop for your ever-evolving designs. Our innovative program provides you with a rich understanding of the business of fashion so you can successfully create wearable art with purpose.

STANDOUT ALUMNI

PATRICK DOYLE

Fashion Design, 2010

Patrick chose CCAD partly because of the feel and energy of the campus, but mostly because of the strong faculty ties to the fashion industry. Professors helped Patrick attend multiple conferences and carefully oversaw his work as he brought it all together for the annual CCAD Senior Fashion Show.

Since graduating in 2010, Patrick has worked at numerous fashion companies, including Justice, Onassis and Fossil. He currently works as a sweater designer for Ralph Lauren.

GENOVEVA CHRISTOFF

Fashion Design, 2008

After working for La Senza, Express, RG Barry and Wardrobe Therapy, Genoveva Christoff started her own company, Genoveva Christoff. In 2012, Genoveva was featured in the Diet Pepsi Style Studio show at Mercedes-Benz Fashion Week in New York and was the first runner-up in the Adrianna Papell for E! Live from the Red Carpet design contest.
