CCAD CORE: Honors Special Projects and Capstone

This form is for current CCAD Honors students in good standing who are interested in proposing an honors special project or honors capstone. Honors students proposing an honors special project or capstone do not need to have a mentor; however, all students wanting to complete an honors project or capstone are required to submit a detailed project plan to be admitted to the Honors CORE projects or Capstone course. As part of the course students are required to present their project at the Honors Symposium.

Student Name (First and Last) _____

Student ID Number _____

CCAD Email Address _____

Intended Graduation Date (Semester/Year) _____

Circle one: Honors Special Project Honors Capstone

Semester/Year of Project or Capstone _____

Is this a group project? If so, list your collaborators (they will need to submit forms as well to be accepted into the class):

Do you have a mentor identified for this project? If yes, please list their name and email address below (please note that a mentor is NOT required to be admitted to the honors project or capstone course):

Use a separate sheet for the following:

- Project Name and Description (300-500 words)
- How does your proposed project fit with your present academic, artistic, or professional interests and/or goals? What previous experiences (courses, other projects, internships, etc) have prepared you to undertake this project?
- Timeline for Project (overview of semester plan)

Completed forms with supporting material should be submitted to the Honors Program at honors@ccad.edu at least one week prior to the start of the term for which you are applying.
