Columbus College of Art & Design

Columbus College of Art & Design (CCAD) prepares tomorrow's creative leaders for professional careers. With a history of commitment to fundamentals and quality, CCAD advances a distinct, challenging, and inclusive learning culture that supports individual development in art, design, and the humanities. The college includes BFA and MFA degree programs.

Part-time Psychiatric Services Provider

The Columbus College of Art & Design’s Counseling & Wellness Center (CWC) is seeking a part-time psychiatrist or psychiatric nurse practitioner to provide psychiatric medication management for students utilizing therapeutic services within the CWC. The CWC team is dedicated to our vision of inspiring movement, connectedness, partnership, and innovation within the context of whole-human education and wellness within our creative community. We support CCAD students as they learn and practice how to think, do, and thrive.

The Psychiatric Services Provider position is a part-time employee-status position, eligible for yearly contract renewal. Direct service provision is contracted September through May, with the expectation of approximately 2-6 hours of direct service provided per week. Some phone consultation with CWC therapists and with pharmacies is expected while Provider is off-campus, including summer. This position reports to the Director of the CWC.

Description of responsibilities and duties:

- Provide initial psychiatric evaluation sessions, including assessment, DSM-V diagnosis, and initial treatment steps for students using CWC psychiatry services for the first time
- Provide ongoing medication management sessions to evaluate and monitor medication effectiveness and needs
- Engage in client education with regard to treatment options, treatment costs, therapeutic effects and function of medications, and potential side-effects of medications
- Use CWC designated electronic records system to document all in-person, phone, or email contact with clients, and all consultation/case management actions taken on clients’ behalf
- Consult and collaborate with CWC therapists and other professionals for continuity of care
- Have reasonable accessibility by phone to assist CWC therapists to resolve conflicts/refill needs with pharmacies, or to engage in consultation with CWC therapists
- Attend CWC staff meetings as needed/available

Qualified applicants:

- Are licensed, in good standing, as a psychiatrist or psychiatric nurse practitioner in the state of Ohio
- If nurse practitioner, be formally supervised by a physician through a Standard Care Arrangement, per Ohio law
- Carry professional liability insurance coverage
- Are self-motivated and able to work within flexible and fast-paced environments

Preferred qualities:

- Experience working in a collegiate setting and relatable with college students
- Experience in the treatment of trauma-related or severe mental health concerns
- Have experience working with diverse client populations, especially LGBTQIA+ individuals

Contract and compensation:

Pay is at an hourly rate and commensurate with credentials and experience. Continued employment is contingent upon contract renewal on a yearly basis. This position is not eligible for health insurance or other benefits through the college.

CWC Director heads search committee. Application review will begin immediately and continue until position is filled.

Please submit cover letter and resume vitae to:
